CAS sign-off in one tap

Students log each experience. The supervisor confirms it with one tap.

- Students log an experience with a photo, video, voice note or a few lines.
- Each one is tagged Creativity, Activity or Service, with the learning outcomes it shows.
- The supervisor opens a private link and confirms. No account and no login.
- Students cannot confirm their own work.
- Each confirmation is signed, so anyone can check who confirmed what, and when.

Sample: the demo school supervisor page. No real students appear.

The offer

31-day free trial. No card needed. The clock starts at your first student invite.

Then **$99 a month**, locked. This is for the first 100 schools that join by 31 December 2026.

After that, it is $199 a month for up to 180 DP students. Above that it is $299. A year costs 10 months.

If you haven't paid by the end of day 31, coordinator tools go read-only. Students, supervisors and exports keep working. Nothing is deleted.

Students and supervisors never pay. Runs alongside ManageBac or Toddle.
