The Extended Essay, step by step

Track the question, three check-ins, each draft and the final sign-off.

- A research question, three supervisor check-ins, the full draft and the final submission.
- Each check-in has a reflection. The supervisor confirms every step.
- Every step carries an AI-use declaration. The supervisor reads it before confirming.
- On the last step the supervisor confirms the work is the student's own.
- The coordinator sees who has not checked in for 30 days.

Sample: the demo school EE tab. No real students appear.

The offer

31-day free trial. No card needed. The clock starts at your first student invite.

Then **$99 a month**, locked. This is for the first 100 schools that join by 31 December 2026.

After that, it is $199 a month for up to 180 DP students. Above that it is $299. A year costs 10 months.

If you haven't paid by the end of day 31, coordinator tools go read-only. Students, supervisors and exports keep working. Nothing is deleted.

Students and supervisors never pay. Runs alongside ManageBac or Toddle.
