Internal Assessments, one process

One process for every subject, from proposal to authentication.

- The same steps for any subject: proposal, method or data, draft, teacher check-in, authentication.
- The student names the subject on the first step. The coordinator sees it in the list.
- Every step carries an AI-use declaration.
- Flags show a missed check-in or a missing declaration.
- Each student gets a Process & Authenticity Record you can print.

Sample: the demo school IA tab. No real students appear.

The offer

31-day free trial. No card needed. The clock starts at your first student invite.

Then **$99 a month**, locked. This is for the first 100 schools that join by 31 December 2026.

After that, it is $199 a month for up to 180 DP students. Above that it is $299. A year costs 10 months.

If you haven't paid by the end of day 31, coordinator tools go read-only. Students, supervisors and exports keep working. Nothing is deleted.

Students and supervisors never pay. Runs alongside ManageBac or Toddle.
