MYP and CP projects

MYP Personal Project and CP Reflective Project, with journal and meetings.

- A dated process journal that the student keeps as they go.
- Three supervisor meetings, each confirmed by the supervisor.
- The exhibition or presentation is the last step.
- Every step carries an AI-use declaration.
- The coordinator assigns the MYP or CP project to a whole cohort.

Sample: the demo school Projects tab. No real students appear.

The offer

31-day free trial. No card needed. The clock starts at your first student invite.

Then **$99 a month**, locked. This is for the first 100 schools that join by 31 December 2026.

After that, it is $199 a month for up to 180 DP students. Above that it is $299. A year costs 10 months.

If you haven't paid by the end of day 31, coordinator tools go read-only. Students, supervisors and exports keep working. Nothing is deleted.

Students and supervisors never pay. Runs alongside ManageBac or Toddle.
